MOVING BETWEEN LEVELS

Your Status Points build up each month as you use your card. Members will automatically move up a level as soon as the required balance is achieved.

On the first of each month, any status points earned more than six months ago will expire and your rating grade will automatically change to reflect your new balance.

CHECKING YOUR REWARD POINT BALANCE

Simply swipe your membership card in the kiosk & your reward point balance will be displayed on the screen. You can check your balance at a gaming machine or a staff member can check at any POS terminal.

REDEEMING POINTS

Your Diamond Rewards Points can be used throughout the Club to make purchases. Simply tell the staff member you wish to Pay by Points and the points will automatically be deducted from your balance.

Diamond, Platinum, Gold and Silver members can also redeemed their points for cash (minimum \$10).
